Annual Responsible Business Report
June 2016

"Responsible Business is part of our organization's DNA and it helps me connect and feel a sense of belonging."

Julie
Singapore

"It's really exciting for me to see how we adapt to a constantly changing world. We're doing all we can to keep data secure, and that's definitely rewarding work."

Neil
United States

"It was difficult to admit I needed help. But as soon as I talked frankly about my disability, CWT helped me see what was possible at work rather than what wasn't."

Lydiane
France

"At the end of the day, I want to be able to say that I did my best for the planet and tried to educate others to do their best too."

Tony
United Kingdom

"Nobody should have to face a crisis. But the wonderful way that everyone reacted showed we have the team spirit needed to handle just about anything."

Janick
Belgium

"Our people have really put their faith into this amazing community project. They totally believe in it."

Renata
